TREE REMOVAL PERMIT INFORMATION

SUMMARY

TREE REMOVAL PERMIT

COCONUT CREEK FL

Do I need a permit to remove my tree(s)?

A tree removal permit is required for the removal of trees that have a trunk diameter greater than 18 inches when measured at breast height.

Tree removal is to be carried out by a professional arborist with a license in Broward County.

There are a minimum number of trees that are required to be on any block of land in Coconut Creek, so if removing your tree does reduce that minimum you will be required to replace that tree within 30 days of it being removed.

Tree pruning Coconut Creek Florida

A tree pruning permit is not required to carry up pruning work in the coconut creek area, but The city does require that proper pruning techniques as stipulated in the a NS I Dash 8300 standards need to be adhered to.

Below is a link to tree pruning guidelines that stipulate proper and improper trimming techniques as well as the correct pruning for palm trees.

If you hire an arborist, they must possess a County tree trimming license. At least one trained individual must be on site at all times. To verify a license professional please contact the city of Coconut Creek.
