

JACKSONVILLE BEACH FL

TREE REMOVAL PERMIT INFORMATION

SUMMARY

TREE REMOVAL PERMIT

JACKSONVILLE BEACH FL

Do I need a permit to remove my tree(s)?

No person shall engage in site clearing or cut down, remove, damage or destroy any tree in Jacksonville Beach without first obtaining a permit.

Exemptions to the above rule

In general if a tree is dead or poses an immediate safety risk to persons or property, that tree can be removed by a certified arborist.

Exemptions to site clearing and tree protection standards.

The following protected trees are exempt from the site clearing and tree protection requirements of section 34-424(a):

(1) Any of the following species or sub-species of trees are not protected trees under this division:

Pine, except cedar trees.

Palm trees (unless planted to meet a requirement of an approved landscape plan.)

(2) Any of the following species or sub-species of trees are not protected trees under this division and may be removed, provided that a permit is first obtained and the specie type is verified by inspection before its removal:

Exempt trees

Trees that can be removed no matter what their size or condition as they are considered a pest in your city. The above listed conditions do not apply.
